

Victoria County Groundwater Conservation District

2805 N. Navarro St., Suite 210, Victoria, Texas 77901

(361)579-6863

FAX: (361)579-0041

Website: www.vcgcd.org

Email: admin@vcgcd.org

Operating Permit Application for Non-Exempt Well

Complete this form if you intend to:

1. operate a non-exempt well which has not received a validation certificate as a grandfathered well under the District Rules.

The District's Rules are available to the public via the internet at the following address:

www.vcgcd.org

A completed operating permit application must be approved by the District prior to operating the well. (Rule 3.1.2 – Operating Permit Requirement, District Rules, Page 20)

Definition of Exempt and Non-Exempt Well

A well that is used solely for domestic purposes or for providing water for livestock, poultry or personal recreational use that is drilled, completed, or equipped so that it is incapable of producing more than 28,800 gallons (20 gpm) of groundwater per day is an exempt well. ***A well used for any other purpose is considered a non-exempt well.***

Instructions:

1. Complete the form to the best of your knowledge and belief.
2. Type or print all information.
3. Attach copies of any relevant documentation or information to this application. Do not attach original documentation to this application.
4. If a portion of the information requested on this form cannot be provided, please indicate this by entering "unknown" in the related blank space.

Section 2: Well Registration or Well Drilling Permit Information

Well Identification Information	
Is the well registered with the District?	Yes / No
Well Registration Number:	
<p>If the well meets the definition of a grandfathered non-exempt well within the District Rules and the well is not registered with the District, then complete the Well Registration Application for Grandfathered Non-Exempt Wells form to obtain a well registration number.</p> <p>If the well <u>does not</u> meet the definition of a grandfathered non-exempt well within the District Rules and the well is not registered with the District, then supply the permit number for the approved Drilling Permit Application for Non-Exempt Well for the well.</p>	
Permit Number:	

Victoria County Groundwater Conservation District

Section 3: Confirmation of Information or Estimates provided with the Well Drilling Application for Non-Exempt Wells.

The District allows for the estimation of certain information that can only be determined after the completion of a new well to accommodate the pre-applying for operating permits. (Rule 3.1.1.2)		
Is documentation attached to this application describing: Aquifer identification, stratigraphy of geologic formations, lithology of the geologic strata, geologic structure, characteristics of the aquifer and their hydraulic relationships, recharge to the aquifer, and movement and discharge of groundwater from aquifer, and the ambient quality of water in the aquifer? (Rule 3.1.1.3.C)	Yes / No	
Information related to Wells with a pump capacity equal to or greater than 360,000 gallons per day and to a well field/groundwater development project with an aggregate size of more than 500 acres. (Rule 3.1.1.4)		
Performance Condition 1: Is the maximum calculated drawdown less than 5 feet at the property line? (Attach supporting documentation to the application.)	Yes / No	
Performance Condition 2: Will this well cause or contribute to the intrusion of saltwater into freshwater aquifers? (Attach supporting documentation to the application.)	Yes / No	
Performance Condition 3: Will this well affect water flow gradients during drought conditions? (Attach supporting documentation to the application.)	Yes / No	
Performance Condition 4: Will this well adversely affect groundwater and surface water exchanges? (Attach supporting documentation to the application.)	Yes / No	
Performance Condition 5: Will this well adversely affect the groundwater quality? (Attach supporting documentation to the application.)	Yes / No	
Map Coordinates for Monitor Well 1 (Rule 3.2.5.A)		
Latitude: <input style="width: 100px;" type="text"/>	Longitude: <input style="width: 100px;" type="text"/>	Elevation: <input style="width: 100px;" type="text"/>
Map Coordinates for Monitor Well 2 (Rule 3.2.5.A)		
Latitude: <input style="width: 100px;" type="text"/>	Longitude: <input style="width: 100px;" type="text"/>	Elevation: <input style="width: 100px;" type="text"/>

Section 4: Aquifer-Related Parameters and Calculations

Determination of Groundwater Availability (Rule 3.1.2.1)	
Aquifer Parameters (Attach documentation to support supplied information)	
Rate of Yield and Drawdown	Value:
	Units:
Specific Capacity	Value:
	Units:
Efficiency of Pumped (Test) Well	Value:
	Units:
Transmissivity	Value:
	Units:
Coefficient of Storage	Value:
	Units:
Hydraulic Conductivity	Value:
	Units:
Recharge or Barrier Boundaries	Value:
	Units:
Thickness of Aquifer	Value:
	Units:
Required Calculations (Rule 3.1.2.2)	
Is the Time-Drawdown calculation documentation attached to the application?	Yes / No
Is the Distance-Drawdown calculation documentation attached to the application?	Yes / No
Is the Well Interference calculation documentation attached to the application?	Yes / No

Section 5: Groundwater Production Information

Requested Annual Maximum Groundwater Production by Use Category			
Domestic	(ac-ft/yr)	Livestock	(ac-ft/yr)
Manufacturing	(ac-ft/yr)	Commercial	(ac-ft/yr)
Recreational	(ac-ft/yr)	Oil and Gas Water Supply	(ac-ft/yr)
Mining	(ac-ft/yr)	Municipal	(ac-ft/yr)
Agricultural	(ac-ft/yr)	Irrigation	(ac-ft/yr)
Industrial	(ac-ft/yr)	Injection	(ac-ft/yr)
Remediation	(ac-ft/yr)	Groundwater Monitor	(ac-ft/yr)
Other (Specify):			(ac-ft/yr)
Requested Annual Total Groundwater Production for All Categories:			(ac-ft/yr)
Maximum Rate of Withdrawal:			(gpm)
Multi-Well System / Aggregated Groundwater Production			
Is the applicant seeking to permit this well as part of an inter-connected multi-well system? (If yes, attach documentation regarding the wells registration, drilling permit, and associated operating permits.)			Yes / No

Victoria County Groundwater Conservation District

Section 6: Agreement and Signature

Agreement

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision and that the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I agree to operate the well in accordance with the Victoria County Groundwater Conservation District's Rules. I further state that I am the applicant or I am authorized to act for the applicant.

Signature of Well Owner or Authorized Agent

Date

Printed Name of Well Owner or Authorized Agent

Victoria County Groundwater Conservation District

Section 7: District Documentation

District Use Only			
Date Received:		Date Administratively Complete:	
Fees Collected:		Date of Board Hearing:	
Board Decision:		Permit Number:
