Representatives of GMA 15,

I have received feedback from 11 of the 13 member districts of GMA 15. Based on the feedback, I will post a notice for the next joint planning meeting to be held on **October 22, 2026, at 9:30 AM at the Crossroads Plaza, Ste 104, 1501 E. Mockingbird Lane, Victoria, Texas.**

In addition, I have posted the information submitted to me by member districts regarding relevant comments, suggested revisions, and supporting materials on the following webpage: <https://www.vcgcd.org/gma-15-desired-future-conditions-4th-cycle>.

If you have not submitted your district summary information for public comment period for the proposed DFC, please do so as soon as possible.

Regards, Tim Andruss

Subject: GMA 15 Meeting Postponement

Representatives of GMA 15,

Section 36.108(d-2) of the Water Code specifies that "[a]fter the close of the public comment period, the district shall compile and submit to the district representatives for consideration at the next joint planning meeting: (1) a summary of relevant comments received; (2) any suggested revisions to the proposed desired future conditions, and the basis for those revisions; and (3) any supporting materials, including new or revised groundwater availability model run results."

Section 36.108(d-2a) of the Water Code specifies that "[t]he information compiled and submitted to the district representatives under Subsection (d-2) must be made available on a generally accessible Internet website maintained on behalf of the management area for not less than 30 days." (emphasis added)

I have not received the summaries specified under Section 36.108(d-2) from each of the member districts of GMA 15 and the next meeting of GMA 15 is scheduled for October 8, 2026, exactly 30 days from today. Therefore, the next joint planning meeting will be postponed and rescheduled.

I propose postponing the October meeting of GMA 15 until October 22 or October 29. Provided summaries from each of the member districts are submitted to VCCGD by **September 15, 2026**, GMA 15 would be able to satisfy the posting requirement of Section 36.108(d-2) and complete the requirements established under Section 36.108(d-3).

Please notify me, by responding to this email, if you or an alternate representative are able or unable to attend a meeting on either of the proposed dates. The date, for which a quorum of representatives can attend with the greatest number of representatives, will be selected for the meeting date and the necessary notices will be posted.

If you have any questions or comments, please let me know.

Thanks, Tim
