APPLICATION TO PARTICIPATE IN THE WATER WELL PLUGGING AND CAPPING PROGRAM

Note: In accordance with the District's rules, the District may request additional information not requested in this application in order to consider the application administratively complete.

Instructions:

1. Complete the form to the best of your knowledge and belief.
2. Type or print all information.
3. Attach copies of any relevant documentation or information to this application including:
 - a. the Applications to Register a Well for the water wells located on the subject property;
 - b. the well driller's well log if available;
 - c. an estimate to plug or cap the subject water well by a licensed well driller;
 - d. documentation demonstrating authority to act as an agent of the well owner if the application is submitted by a person other than the well owner.
4. If a portion of the information requested on this form cannot be provided, enter "unknown" in the related blank space.
